

MEXT Scholarship 2026 Complete Checklist

This master checklist lists every document and milestone for the MEXT (Monbukagakusho) government scholarship, specifically tailored for Indian applicants navigating the Embassy Route.

Required Application Documents

- **Application Form:** Double-check spelling of names matching passport. Affix a recent 4.5x3.5cm photo.
- **Placement Preference Application Form:** List up to 3 target universities in Japan.
- **Field of Study and Research Plan:** 2-page detailed write-up. Pushes clear methodology, research questions, and relevance to Japan.
- **Academic Transcripts:** Issued by your university Registrar, with explanation of grading scale.
- **Certificate of Graduation:** Official graduation certificate or degree certificate. Attested copies.
- **Recommendation Letter:** Written by your Dean or academic supervisor using the prescribed template.
- **Medical Certificate:** Signed and stamped by a licensed physician on the official MEXT medical form.
- **Thesis Abstracts:** Summary of undergraduate/master's thesis or major technical projects.

Key Application Milestones

- **April - May:** Applications open at Embassy of Japan in New Delhi. Submit physical copy dossiers.
- **June:** Written exams (English & Japanese) conducted at regional testing locations.
- **July:** Embassy interview round for shortlisted candidates.
- **August:** Announcement of Primary Screening results by the Embassy.
- **September:** Request Letters of Provisional Acceptance from target Japanese professors/universities.
- **December - February:** Secondary Screening results from MEXT in Tokyo.
- **April / October 2026:** Arrival in Japan to commence study.
