

5-Country Scholarship Comparison Sheet

A side-by-side comparison of the most prominent government and research scholarships available to Indian students, compiled by ScholarMap experts.

Comparison Matrix

Scholarship	Country	Stipend / Mo.	Key Focus	PR Path
MEXT (Embassy)	Japan	¥117k-145k	High GPA, Written Exam	Medium
DAAD	Germany	€934-1,200	Profile, Work Exp	Excellent
GKS	South Korea	■1,000,000	80% baseline grades	Medium
CSC	China	¥3,000-3,500	University Shortlist	Difficult
Australia RTP	Australia	AUD \$2,700+	GPA, Research Proposal	Excellent

Strategic Recommendations

- **Best for STEM & Research:** GKS (South Korea) or MEXT (Japan) for robotics, advanced manufacturing, and semiconductors.
- **Best Value for Engineering:** DAAD (Germany) because tuition is free even if you apply self-funded, and DAAD covers living costs.
- **Best for Long-Term Immigrating:** Australia (RTP) and Germany (DAAD) offer the fastest and most structured paths to PR.
